

Friday Afternoon Activities in Columbia At ArtSmart 2.0

PLEASE JOIN US at Bluestem Missouri Crafts for a **WELCOME**

RECEPTION Friday afternoon, April 13. As a BOMH Corporate/Gallery member, Bluestem has invited us to their shop for a reception that will begin around 5:00. Many BOMH members have their work at this fabulous venue. A shuttle will be available to take you from Stoney Creek to the reception, so hop on and head downtown for the fun. Missed the first shuttle? Not to worry, it will be making round trips between Stoney Creek and Bluestem with the last shuttle leaving Bluestem around 6:30pm.

Want to do a self-guided **Gallery Hop**? When you register with us at the hotel, we'll provide maps of "**The District**" (downtown Columbia) and the **North Village Arts District**, just north of downtown.

Both districts are full of quaint shops, galleries and purveyors of various foods and refreshments. The **Columbia Art League**, another Corporate/Gallery member of BOMH, is just a quick, easy walk from Bluestem. Please take time to visit the Columbia Art League's April exhibit, *Strange Than Fiction*.

So grab some friends and drive on downtown (a quick 10 minute, simple drive from Stoney Creek) or call an Uber. There's lots of cozy places to slip in and have dinner or a snack while you peruse all the shops and galleries downtown CoMo has to offer.

Now, with all the shopping and dining and other cool stuff you may be enjoying Friday afternoon in downtown CoMo, be sure to return to Stoney Creek for our **FRIDAY NIGHT FROLICS**. We'll be arting **from 7-9pm**. With six different frolics to experience, you won't want to be late. We'll be expecting you.
